

Family and Family Friendly Activities at Pennsic War 49

Created by Leonete D'Angely, Family Activities Coordinator. (fpoint@pennsicwar.org) Any mistakes are mine and mine alone. *Includes events registered and submitted as of July 3rd, 2022.*

Notes:

- This schedule contains many activities at Pennsic that families and/or those under 18 will enjoy. It is not an exhaustive list, and there are many scheduled activities throughout Pennsic that are welcoming and appropriate to families.
- None of these activities is a substitute for proper supervision of your child as per Pennsic rules. Please see your site booklet for more information.
- We are still looking for more classes, and will update this document and THING, as well as our onsite schedule, with further offerings.
- Classes and Activities may change times or be canceled at Pennsic, please check the newspaper, noticeboards, or internet sources for the most up to date info. Again, any mistakes are the fault of Leonete, and have my sincerest apologies.

Family Activities Sponsored Offerings

Family Activities, held in Family Point Tent 1, next to the playground, are classes and crafts geared towards ages 3-9.

The **Family Lounge** is a pop-up tent with a play yard located at family point, allowing for a safe play spot for toddlers.

The **Family Point Games Tent** is a space at the back of the playground where RPGs and other teen-focused games are held. When a class is not scheduled, the space is open for gaming.

Youth University, held in Family Point Tent 2 at the playground, are classes designed for those in the 9-14 range. Ages are suggested based on developmental skills needed, and are a suggestion, not a requirement, unless noted for safety.

Teen University, held in Family Point Tent 2 at the playground this year only, are classes meant for those 13+. The age range is based on the higher level of developmental skills needed, but is not a requirement unless noted for safety.

The **Teen Lounge** is in Family Point Tent 2, and is a chance for teens to come hang out and socialize in the evenings. Most nights are open for 12-17 year olds, but some nights are specific to certain ages, so check descriptions.

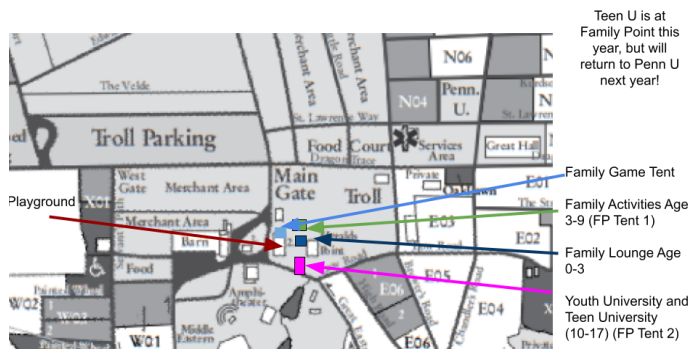

Youth Focused and/or Family Friendly Offerings

Martial Activities includes opportunities for youth to fence, fight, throw, and shoot. Only family specific times for Thrown Weapons and Archery are listed here, see their schedules for times that all ages are welcome on the ranges

Performing Arts provides a variety of youth and teen opportunities to perform. Ages are noted in class descriptions

Adult Classes of **Interest to Caregivers** include classes/roundtables on managing the SCA with children, marshaling, etc.

Other Family Friendly Activities are not directly sponsored by the Family Activities department, but may be of interest.

Family Point Locations are noted here. For all other locations, please see the official Pennsic map.

The Family Point Garb Swap is located in the back of Tent 1. Drop off all the clothes your child outgrew, and pick up some that fit!

Tuesday, August 2nd

<i>Track</i>	<i>Location</i>	<i>Time</i>	<i>Title/Activity</i>	<i>Notes (see web for entire description)</i>
Family Activities	FP Tent 1	9:00-10:00	Open Crafting Time	Different craft each session, check schedule at FP
