

Calling all heralds, all wannabe heralds, all baby heralds, all senior heralds, all heraldic artists, everyone who is going to Pennsic to come volunteer at Herald's Point!

Hey, Pennsic is happening, finally. Get over here and help out!

It's been a while. Some things are a little different now. Please be patient while we figure this out anew.

We need:

- Heralds of all experience levels!
- Exchequers
- Greeters
- Heraldic artists and colorists of every skill level!

We ALSO need brute labor to help with setup and teardown on the following days:

- Setup: Monday, Aug 1 and Tuesday, Aug 2 from 10am to 3
- Teardown: Friday, Aug 12 and Saturday, Aug 13 from 10am to 3

Heraldic artists! This is new! Bring your laptops or tablets! We can do art either by hand the old-fashioned way or digitally, with whatever digital programs you bring to work in. There is a small chance that we could have art to do overnight for those who are not on site with us.

Herald's Point operating hours:

Herald's Point is open to the public from Wednesday, Aug 3rd to Thursday, August 11th. Operating hours for the public are generally 11 am to 5 pm except for Monday, Aug 8 (2 pm to 8 pm) and Thursday, Aug 11 (11 am to 3 pm)(no new consultations on the last day. Pick ups only.) Please note that new consultations close one hour before point closes each day.

Herald's Point will be open:

Peace Week
